DEPARTMENT OF ENERGY

U.S. Energy Information Administration

Agency Information Collection Extension

AGENCY: U.S. Energy Information Administration (EIA), Department of Energy (DOE)

ACTION: Agency Information Collection Activities: Information Collection Extension; Notice and Request for Comments

SUMMARY: The EIA, pursuant to the Paperwork Reduction Act of 1995, intends to extend for three years, Form NWPA-830G “Appendix G-Standard Remittance Advice for Payment of Fees (including Annex A to Appendix G),” with the Office of Management and Budget (OMB). The Nuclear Waste Policy Act (NWPA) of 1982 required that the DOE enter into Standard Contracts with all generators or owners of spent nuclear fuel and high-level radioactive waste of domestic origin. Form NWPA-830G is part of the Standard Contract for Disposal of Spent Nuclear Fuel and/or High-Level Radioactive Waste. Generators and owners of spent nuclear fuel and high-level radioactive waste of domestic origin pay fees into the nuclear waste fund based on net electricity generated and sold as defined in the Standard Contract. Together, forms “Appendix G” and “Annex A to Appendix G” are commonly referred to as Remittance Advice (RA) forms.

Comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the

methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Comments regarding this proposed information collection must be received on or before **[INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**. If you anticipate difficulty in submitting comments within that period, contact the person listed in **ADDRESSES** as soon as possible.

ADDRESSES: Send comments to Marta Gospodarczyk. To ensure receipt of the comments by the due date, submission by FAX (202-586-3045) or e-mail (marta.gospodarczyk@eia.gov) is recommended. The mailing address is Office of Electricity, Coal, Nuclear, and Renewables Analysis, EI-34, Forrestal Building, U.S. Department of Energy, Washington, DC 20585. Alternatively, Ms. Gospodarczyk may be contacted by telephone at 202-586-0527.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of any forms and instructions should be directed to Ms. Gospodarczyk at the address listed above. Additionally, forms and instructions may be viewed at <http://www.eia.gov/survey/#nwpa-830G>.

SUPPLEMENTARY INFORMATION: This information collection request contains:

- (1) OMB No. 1901-0260;
- (2) Information Collection Request Title: Standard Contract for Disposal of Spent Nuclear Fuel and/or High-Level Radioactive Waste;
- (3) Type of Request: Three-year extension;

(4) Purpose:

The Federal Energy Administration Act of 1974 (15 U.S.C. 761 *et seq.*) and the DOE Organization Act (42 U.S.C. 7101 *et seq.*) require the EIA to carry out a centralized, comprehensive, and unified energy information program. This program collects, evaluates, assembles, analyzes, and disseminates information on energy resource reserves, production, demand, technology, and related economic and statistical information. This information is used to assess the adequacy of energy resources to meet near and longer term domestic demands.

The EIA, as part of its effort to comply with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), provides the general public and other Federal agencies with opportunities to comment on collections of energy information conducted by or in conjunction with the EIA. Also, the EIA will later seek approval for this collection by the Office of Management and Budget (OMB) under Section 3507(a) of the Paperwork Reduction Act of 1995.

The Nuclear Waste Policy Act of 1982 (42 U.S.C. 10101 *et seq.*) required that the DOE enter into Standard Contracts with all generators or owners of spent nuclear fuel and high-level radioactive waste of domestic origin. Form NWPA-830G “Appendix G-Standard Remittance Advice for Payment of Fees” is an addendum to this Standard Contract. The form titled “Annex A to Appendix G: Standard Remittance Advice for Payment of Fees” is an addendum to Appendix G. Together, forms “Appendix G” and “Annex A to Appendix G” are commonly referred to as Remittance Advice (RA) forms. The RA must be submitted quarterly by generators and owners of spent nuclear fuel and high-level radioactive waste of domestic origin who signed the Standard Contract. Form

“Appendix G” is used by DOE to collect information from Purchasers regarding their payment to the Nuclear Waste Fund for spent nuclear fuel and high-level waste disposal. Form “Annex A to Appendix G” collects data on the amount of net electricity generated and sold, upon which these fees are based.

Please refer to the proposed forms and instructions for more information about the purpose, who must report, when to report, where to submit, the elements to be reported, detailed instructions, provisions for confidentiality, and uses (including possible non-statistical uses) of the information. For instructions on obtaining materials, see the "For Further Information Contact" section.

- (4a) Proposed Changes to Information Collection: No changes are proposed;
- (5) Annual Estimated Number of Respondents: 104;
- (6) Annual Estimated Number of Total Responses: 416;
- (7) Annual Estimated Number of Burden Hours: 2080;
- (8) Annual Estimated Reporting and Recordkeeping Cost Burden: \$0;

Statutory Authority: Section 13(b) of the Federal Energy Administration Act of 1974, P.L. 93-275, codified at 15 U.S.C. 772(b); Section 302 of the Nuclear Waste Policy Act of 1982, codified at 42 U.S.C. 10222.

Issued in Washington, D.C., on April 12, 2012
